### Parking Lot Updates

During school dismissal, the south parking lot is designated for car pick-ups and the north lot is used for bus pick-ups. Lions Club Drive will be an exit for traffic turning south onto Calumet Ave. Remember that while St. Thomas More parents use the Drive for an exit, Lions Club Drive is a two-way street. Cars turning south onto Calumet Avenue should be in the lot facing Lions Club Drive and use the left (middle lane) at the stop light to turn left. Cars going north onto Calumet Ave must be parked in the lot facing Calumet Avenue.

If you choose to park in Munster Community Park parking lot, you must walk to the STM bell tower to escort your children back to your car. Once cars have begun exiting the parking lot, you will not be allowed to walk through the traffic to pick-up your children. You may pick them up after all cars have exited. Any children not picked up by the time we clear the parking lot will be escorted to KIDS TIME. Thank you for your patience and remember that our parking lot rules are set up for the safety of our children, adults and school personnel.
