

# The Barrister

"Prefer nothing to the love of Christ."

May 20, 2010

St. Bernadine of Siena

Our Patron Saint

May: Month of Our Blessed Mother, Mary, Most Holy

Sts. Benedict and Scholastica

Heavenly Father, the beauty and dignity of human life was the crowning of your creation. You further ennobled that life when Your Son became one with us in His incarnation.

Help everyone to realize the sacredness of human life and to respect it from the moment of conception until the last moment at death.

Give us courage to speak with truth and love and with conviction in defense of life. Help us to extend the gentle hand of mercy and forgiveness to those who do not reverence Your gift of life. To all, grant pardon for the times we have failed to be grateful for Your precious gift of life or to respect it in others.

We ask this in Jesus' Name. Amen.

Dear Heavenly Father,

As we remember those who have made the ultimate sacrifice for our freedom, we think of how they have followed in the footsteps of Your son, Jesus Christ.

Please hold our service men and women in Your strong arms. Cover them with Your sheltering grace and presence as they stand in the gap for our protection.

We also remember the families of our troops, and ask for Your unique blessings to fill their homes and your peace, provision and strength to fill their lives.

# WELLBITS May 17, 2010

The past few Wellbits have focused on fitness for the 'outside of the body'. Being active and moving each day will set you and your family on the road to good physical health. But let's not forget about the importance of being fit 'inside' as well. What we put IN our mouth is JUST AS IMPORTANT as what we do to our 'outsides'. I'm sure you'll agree that we all have favorite foods and recipes we love to prepare, but might hesitate because of all the fat and calories, especially those recipes that have been passed down through the generations. The week's Wellbits will provide simple substitutions you can make so your recipes can be healthier and guilt free:

Alter the amount of sugar in your recipes, as you can decrease the amount of sugar by up to 1/3 (in some cases) without altering the taste.

Replace some of the heart UNHEALTHY fats with healthier ingredients. For example, if the recipe calls for 1/2 cup of cooking oil, use 1/4 cup of canola oil and 1/4 cup of pureed applesauce.

Replace whole milk with lower fat substitutes like skim milk or low fat soy milk in equal proportions.

Cut back on some of the high calorie ingredients when possible. For example, if your chocolate chip recipe calls for 1/2 cup of pecans, use 1/3 of a cup instead. This won't significantly affect the basic recipes but will have the finished product be lower in fat and calories.

**TEST YOUR NUTRITION KNOWLEDGE.....**

**WHICH BREAKFAST FOOD CONTAINS MORE CALORIES??**

pancakes &  
regular syrup

OR

1 serving eggs  
2 bacon strips  
Wheat toast & 1  
tsp butter

PLEASE REMEMBER TO CHECK EDLINE FREQUENTLY.  
(Be sure to check assignments, too.)

**Immaculate Mary, Your praises we sing!**

# A Grateful Mom...

"I just wanted you and the other staff who put the children's First Holy Communion ceremony together, and worked with the children, to know that it was a beautiful ceremony and a job very well done. There were points in the ceremony in which I wanted to cry and others in which I wanted to clap because the children sang or spoke so well. I know that all took a great deal of work and coordination to pull off and you should know that my family and I'm sure others appreciate your hard work. Thanks again and please pass this on to the others who helped. I will always remember it."

Gracious God, thank You for the gift of Catholic education.

Day after day, week, after week, You give us many opportunities to know Your great love, peace and forgiveness.

Help us to respond to Your Good News and the **Good News of Catholic Education.**

Amen

Mom & Dad ...  
Have you checked  
EDLINE to see how  
GREAT I am doing?

Dear Parents,

The Home and School Association (HSA) thanks you for making this school year a success! As you know, without YOUR involvement our school would not be able to function without many additional expenses. The giving of your TIME and TALENTS is a win win situation not only because our school saves money, but you and your child can also become closer, make new friends, and stay connected to our school community.

HSA's main purpose is to fundraise and coordinate volunteers. A line item in the school budget is for Home and School to raise \$65,000 each year in order to keep tuition rates at a manageable level for YOU. Any money raised in excess can be used towards the school. We hope to tag some large items for this school year.

Now is the time to make a commitment to the success of the 2010-2011 school year. Please select the events that most interest you, or if you are undecided, you can choose an event based on your availability throughout the calendar year. Some events are recurring every week, every month, and some are once a year events. Come and spend some time at St. Thomas More School, and remember the reasons you chose our school in the first place.

Many thanks to those of you who so diligently, relentlessly, and cheerfully respond to our many calls for help! If you are hesitant or have not yet stepped forward to volunteer in any way at STMS, we encourage you to make an effort to become more involved by choosing a committee or event that interests you. VIRTUS TRAINING IS NECESSARY.

We are asking for every family to complete the attached Volunteer Form and return to school by June 1, 2010. Our Volunteer Coordinator will be contacting families who do not submit a form.

We are looking forward to a great school year!

\*If you are interested in being an HSA committee member, please contact Mrs. Boyle at [tboyle@stm-school.com](mailto:tboyle@stm-school.com) or Mr. Nordyke at [cnordyke@stm-school.com](mailto:cnordyke@stm-school.com)

\*\*The Volunteer "Thank You" mass and reception is scheduled for Tuesday, May 25, 2010. Please plan on attending!
